Financial Aid Application Process:

Financial assistance at St. Luke's Lutheran School is awarded to families of deserving students in grades Jr. Kindergarten through Ninth on a first come, first-served basis. The funds available to be used for financial aid vary from year to year, and families are required to submit applications annually.

In order to be considered for financial assistance, the procedure below must be followed:

Complete the School Scholarship Services (SSS) form on-line (www.nais.org/financialaid/sss) as soon as possible, so as to take full advantage of what funds are available for such. Though applications will continue to be accepted and processed throughout the year and awarded as funds continue to be available, funds are NOT unlimited and early application for financial aid increases the chances one has of receiving such. Please check with the admissions office for aid availability. The code for St. Luke's Lutheran School is **6709**.

- 1) Mail or bring in a copy of your 2009 federal tax return (or 2008 if you have not completed your 2009 return) and business returns, if self employed, to the Director of Finance.
- 2) Enroll your child(ren) for the 2010-11 school year.*

*Submit registration fee only. Tuition deposit amount will be established after the financial award is offered and accepted and will be determined based on the remaining balance of tuition after scholarship. Please do not submit the deposit until you have received notification from the Director of Finance on the amount due.
